Abstract:

Dear JOSHA readers, once again we find ourselves saying goodbye and closing another issue. This time it is the first one for the year 2020, which is full of important changes for our non-profit journal. Among other things, we must inform you all that our editorials will be published every two months, that is, from 2020 all our issues will be published bimonthly, always on the 30th of every second month. We also like to remind that you can upload a video link of YouTube to your article!

JOSHA is a service that helps scholars, researchers, and students discover, use, and build upon a wide range of content

JOSHA - Journal of Science Humanities and Arts Editorial Volume 7 Issue 1

Dear JOSHA readers, once again we find ourselves saying goodbye and closing another issue. This time it is the first one for the year 2020, which is full of important changes for our non-profit journal. Among other things, we must inform you all that our editorials will be published every two months, that is, from 2020 all our issues will be published bimonthly, always on the 30th of every second month. We also like to remind that you can upload a video link of YouTube to your article!

In another framework of ideas, you can immediately submit your work by mail to admin@josha-archive.org to participate in our Demetrios Prizes 2020. More information about this project will be published as usual in our category News & Views. However, we can tell you that this year our Demetrios Prize will have some changes. Keep connected with our social media accounts (Facebook & Instagram) to see and get more information about this wonderful idea to promote and support the talent of young students all around the world.

In the same way, we were receiving around 100 articles that confirm a total of more than 350 articles since 2014 with more than 600,000 visits and almost 500,000 downloads. Concerning our first issue of this year, a total of 6 articles were published between January and February. All of them belonging to the areas of medicine, architecture and design, visual arts, and politics.

We are happy to carry on a successful way with all your support and hope to have a wonderful Sommer overflowing with endless interesting articles from all over the world. Together, we have achieved so much exile in such a short time. Therefore, we thank you and promise to continue to work to connect more

authors around the world and continue to share important knowledge, because the knowledge that is not communicated is wasted knowledge!

The Editorial Board and everybody in JOSHA would like to thank our readers and authors for supporting this project.

We wish all our readers a joyful reading experience at JOSHA!
